Experience

JAN 2017 –PRESENT

Upstatement / Design Apprentice / *Boston, MA*

Designing and building web pages, assets, and brands for digital products
and editorial websites. Leading design and front-end development in
multiple internal projects in an agile framework.

JUN 2016 –DEC 2016

Tank Design / Design Intern / *Cambridge, MA*

Designed logos and identity systems, web assets and pages, style guides,
advertising campaigns, icons, and various other brand materials
for clients ranging from international corporations to local start-ups.

SEPT 2015 –DEC 2015

Visual Dialogue / Design Intern / *Boston, MA*

Responsibilities included designing editorial spreads, brand and
print collateral, websites, and advertisements, assisting senior designers
with production, comping print presentations and materials,
and participating in regular critiques with a small, highly collaborative
and fast-paced team at an award-winning studio.

JUN 2015 –AUG 2015

KHJ Brand Activation / Design Intern / *Boston, MA*

Responsibilities included designing advertisements for print and digital,
finding and retouching stock images, comping print presentations and
materials, and designing logos and various brand materials.
